One line jokes for work

Hero Images/Getty Images In a joke world hierarchy, one of the liners is a gem: they're easy to remember, don't take the time to say it, and if crafted just right pack a more powerful punch than a joke with a longer set up. Unfortunately, they are often united in the same category as bad jokes. Who doesn't love good bad jokes - we! But one inserts don't bring cringe, some of them are smart, insightful, and stick with you for ages. Mom and Dad alike really like these one-liners, clever jokes, and punny jokes. This list is bound to make you laugh... or at least a smile! Read and add these one-liners jokes to your collection so you can rattle them off another funny family get together. I can't believe I fired from the calendar factory: all I did was take a day off! Money Talks: Mine always says there is goodbye. I went to the doctor about my short-term memory problems - the first thing he did was force me to pay in advance. You have two parts of the brain, left and right - on the left side, there is nothing on the right and right side, nothing left. Why bee hum? They don't remember the songs! I have a dog to give me unconditional love, but I also have a cat to remind me that I don't deserve it: it's all about balance. Don't spell part back. It's a trap. Today a man knocked on my door and asked for a small donation toward the local pool. I gave him a glass of water. Most people are shocked when they find out how bad I am as an electrician. I think it's ironic that red, white and blue stand for freedom before they flash behind you. Are your ass jealous because you just got out of your mouth? Moses had the first tablet that could connect to the cloud. Don't trust the atoma, they make up everything. Thanks for explaining the word to many of me, it means a lot. I hope that when I inevitably choke to death gummy bears people just say I killed the bears and leave it at that. Giphy I accidentally handed my wife a glue stick, not a brush. She still doesn't talk to me. I read a book about anti-gravity. It's impossible to finish off. I wasn't initially going to get a brain transplant, but then I changed my mind. R.I.P boiled water. You're going to be a haze. Alcohol is a great solvent! It dissolves marriages, families and careers. Today I have a new pair of gloves, but they are both left,which, on the one hand, are excellent, but on the other hand, it is simply wrong. My wife just found out I had changed our bed with a trampoline; she hit the roof. What is the best thing about living in Switzerland? Well, the flag is a big plus. Atheism is not a prophet's organization. Did you hear about the guy who got in his head with a soda tin? He didn't get hurt because it was a refreshing drink. The future, present and past walked into the bar. Everything has a little tense. How old do I have to tell my dog that he's adopted? I just found out I'm colored. The diagnosis was red. I bought shoes from a drug dealer. I don't know who he tied them with, but I've been tripping all day. My boss is going to fire the employee with the worst posture. I have a hunch, it could be me. I started with nothing, and I still have most of it. Smoking will kill you... Bacon's going to kill you... And yet, smoking ham will cure it. I was addicted to hokey pokey... but fortunately, I turned myself around. Were Noah termites on the arch? The man who created the autocorrect has died. The restaurant is quiet. I used to think I was hesitant, but now I'm not too sure. My wife loves it when I blow air on her when she's hot, but honestly... I'm not a fan. I really hate Russian dolls, they're so full. The first time I got a universal remote control I thought to myself: It changes everything. I refused to believe in my father, a road worker, stole from my job, but when I got home, all the signs were there. I recently decided to sell his vacuum cleaner – all he was doing was collecting dust. PMS jokes are not funny - period! Where is the will, there is a relative. It's hard to explain puns to kleptomaniacs – they're always taking things literally. I like to keep my hands off movies... which always looks like stunning strangers. Women should not have children after 35 - 35 children are enough! There are three kinds of people: those who can count and those who can't when I lose my TV controller, I always find it in a remote spot. My first job worked in an orange juice factory, but I canned: I just couldn't concentrate. My math teacher called me an average - that's what it means! The easiest time to add insult to injury is when you sign someone's majority. - Demetri Martin I have no problem with attitude. You have a perception problem. I'm skeptical of anyone who tells me they have yoga every day - it's a bit of a stretch. Light travels faster than sound, making some people look bright before they open their mouths. It's sad that a family can be torn apart by something as simple as a wild dog. - Jack Handey I don't have a boyfriend, but I know a guy who would be really mad to hear that. The worst time to have a heart attack is during the charades game. - Demetri Martin When life gives you melons, you may be dyslexic. I don't want to be a club to be a member of me. - Groucho Marx Does my wife think I'm a control freak? I haven't decided yet. - Stewart Francis of the New England Journal of Medicine reports that 9 out of 10 doctors agree that 1 in 10 doctors are an idiot. - Jay Leno I have a lot to grow up to do. I realized that the next day inside my fort. - Zach Galifianakis Honesty may be the best policy, but it is important to remember that apparently, by eliminating, dishonesty is the second best policy. - George Carlin I looked at his family tree and found out I was sap. - Rodney Dangerfield Keep the dream alive - press your slumber button. This it takes a while Lots of balls of golf the way I do. My therapist says I have a dressing with revenge. We'll see about it. - Stewart Francis I was wondering why the ball kept getting bigger and bigger, and then it hit me. A person who invented knock jokes should get a prize at the bell. The next day I asked the banker to check my balance, so she pushed me. For a while, Houdini would use the trap door to each one of his shows – I think you could say that this was the stage he was going through. I hope there's no pop quiz on a class trip to the Coca Cola factory. If money does not grow on trees, why do banks have branches? I didn't like the beard at first, but it grew on me. Give me a calculator, friends don't let friends get drunk. The baseball walks into the bar - the bartender throws it away. I doubt that's why I can be. I had a handle in life, but then it broke. I had an hourly glass figure, but then the sand shifted. When everything comes your way - you are in the wrong lane. Giphy Animal Testing is a terrible idea – they get all nervous and give the wrong answers I play chess with my friend and he said, Let's make this interesting. So we stopped playing chess. - Matt Kirshen Crime in multi-storey parking lots. This is wrong on so many different levels. - Tim Vine I was raised as an only child who really annoyed my sister. - Do Marsh People Who use selfie sticks really need to have a good, long look at themselves. - Both Roberts Thesaurus are great. There's no other word for it – Ross Smith I failed in math so many times at school I can't even count. - Stewart Francis Two Fish Tank. One says: How do you drive this thing? - Peter Kay I saw a documentary about how ships are kept together. Riveting! - Stewart Francis People who love trance music is very persistent. They are not techno for the answer. - Joel Dommett Does Transformers Get a Car, or Life Insurance? - Russell Howard My father drank so heavily when he blew a birthday cake he lit candles. - Les Dawson I once saw two people wrapped in a barcode and had to ask - Did you point? I went to buy camouflage pants, but I couldn't find any. All right, guys, a giant fly is attacking the police station. I've called the SWAT team! - Greg Davies I usually meet my girlfriend at 12:59 because I like that one-to-one time. - Tom Ward I like a woman with a head on her shoulders. I hate my necks. - Steve Martin My husband and I have been happy for 20 years. And then we met. I'm like Roman numerals. When my boss asked me what was stupid, me or him, I told him he wasn't hired by stupid people. But a married person should forget his mistakes. Not used by two people remember the same thing. My wife told me to stop pretending to be flamingos. I had to put my leg down. I'm like Roman numerals. I have a complex of inferiority, it's not very good. People tell me that I'm gracious... (Lean real close) That means I'm talking to people. According to The The man is smart enough to watch his step he is too old to go anywhere. - Billy Crystal Proof that we don't understand death, that we give dead people a pillow. - Jerry Seinfeld Don't talk to me about Valentine's Day. At my age, the heart affair is a bypass. - Joan Rivers Learning doesn't like children at an early age saves a lot of costs and deterioration later in life. - Ed Byrne I failed in math so many times at school I lost count. - Stewart Francis Oh, when I was a kid to show business I was poor. I used to go orgies to eat grapes. - Rodney Dangerfield School went to, they asked the child to prove gravity right and he threw the teacher out of the window. Rodney Dangerfield I looked at his family tree and found three dogs using it. Rodney Dangerfield Once my whole family played hide and seek. They found my mom in Pittsburgh! - Rodney Dangerfield I met a surgeon in general - he offered me a cigarette. — Rodney Dangerfield Dangerfield (Near District)
